“We want that Education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet”

Swami Vivekananda
(1863 - 1902)

Dr. SAMUEL HAHNEMANN

FOUNDER OF HOMOEOPATHY

(10th April 1755 - 2nd July 1843)

Medicine is a science of experience; its object is to eradicate diseases by means of remedies. The knowledge of disease, the knowledge of remedies and the knowledge of their employment, constitute medicine.

FAMOUS QUOTES ON HOMOEOPATHY

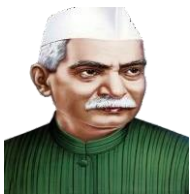

*An allopath comes and treats cholera patients and gives them his medicines. The Homeopath comes and gives his medicines and cures perhaps more than the allopath does because the Homoeopath does not disturb the patients but allows the nature to deal with them. - **Swami Vivekananda**.*

*Homeopathy cures a larger percentage of cases than any other form of treatment and is beyond doubts safer and more economical. - **Mahatma Gandhi***

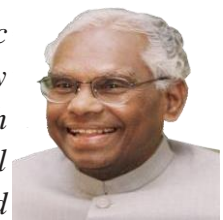

*“I have long been an ardent believer in the science of homeopathy, and I feel happy that it has got now a greater hold in India than even in the land of its origin. It is not merely a collection.” - **Rabindranath Tagore***

*Homeopathy did not merely seek to cure a disease but treated a disease as a sign of disorder of the whole human organism. This was also recognized in the Upanishad which spoke of human organs as combination of body mind and spirit. Homoeopathy would pay an important part in the Public Health of the country along with other systems. Medical facilities in India are so scanty that Homoeopathy can confidently visualize a vast field of expansion. - **Dr. S. Radha Krishnan - Former President, Govt. of India.***

***Hon'ble Former President, Govt of India, Rajendra Prasad** - I believe Homoeopathy as a system of cure has great scope in a poor country like India and deserves encouragement.*

***Hon'ble Former President, Govt. of India, Shri. K. R. Narayan** - Homoeopathic treatment is my first choice not only for me but also for my family. Homoeopathy should be developed as full-fledged alternative system of medicine. More research and more development are essential to make Homoeopathy more popular and useful. Homoeopath treats their patients in more compassionate way. Homoeopathy is second largest system of medicine being practiced in India.*

*I patronize Homeopathy. I have always used it for my family. - **Queen Elizabeth II***

Holistic Healthcare remains a very big attraction. Best of the doctors are moving towards homeopathy. There's a mood for Holistic Healthcare. There's a mood to go towards stress free life from a stressful life

*- **Narendra Modi, Hon'ble Prime Minister of India***

VISION & MISSION

The Vision

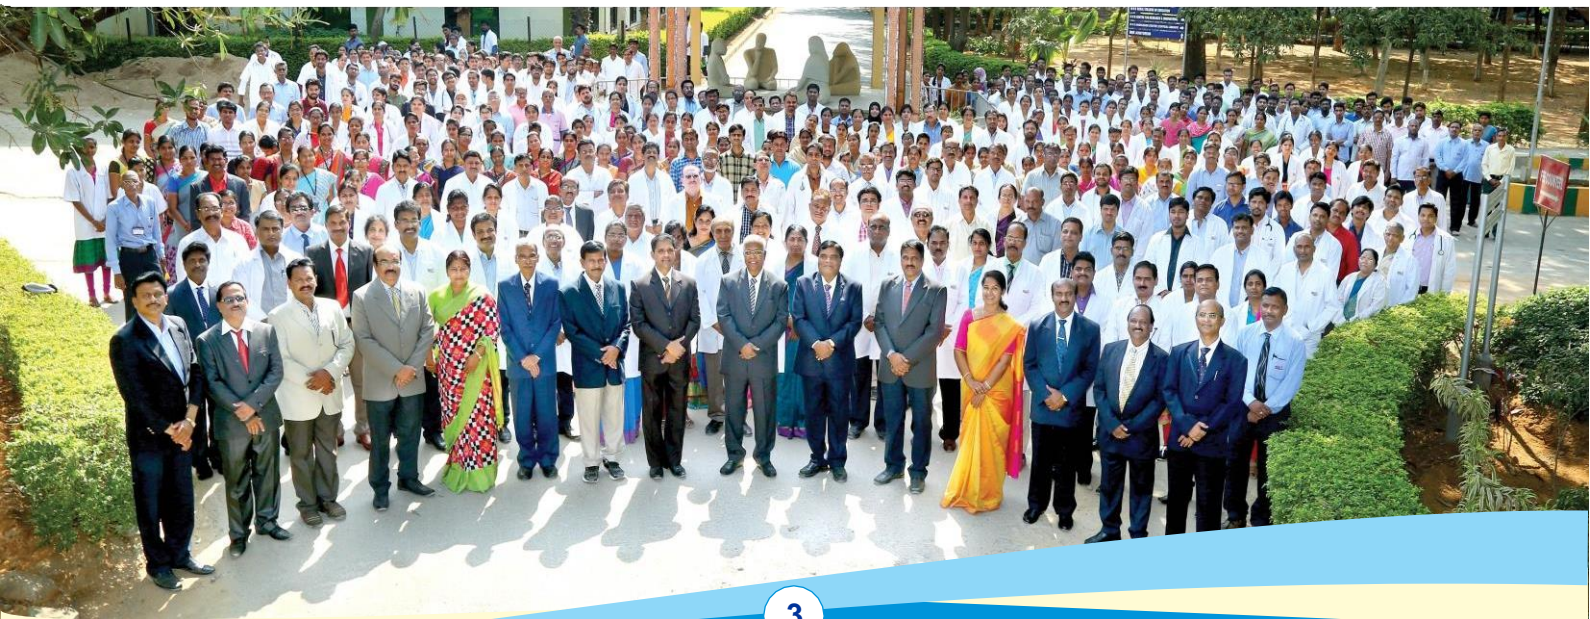

To evolve into a centre of excellence in Homoeopathic through creative and innovative practices in teaching, learning and promoting academic achievement and research excellence. To produce internationally accepted, competitive and world class professionals who are professionally strong and emotionally balanced imbued with social consciousness and ethical values.

Mission

The MNR mission is to be a leader in helping individuals and organizations to enhance their academic effectiveness. To do so, by pursuing a balanced excellence that links theory to practice in teaching and research that are innovative, technologically fine tuned, rigorous and relevant to international standards.

Quality Policy

We at MNR aspire to establish a system of Quality Assurance, which would on a continuous basis evaluate and monitor the quality of education and training imparted at the institute, improve the teaching learning process and ultimately develop the institute as a Centre of Excellence.

About Founder-Chairman's

I had no opportunity to attend a school or college during my childhood. This only strengthened my determination to study more.

As I grew had this single-minded desire to offer a platform for children to pursue basic education. During these 59 years of service as a teacher and as an educator, I realised how much of our future generation's success depends on education. It is my firm belief that the two essential factors that enrich our lives are education and health and it is my endeavour to provide both through MNR Educational Trust with the help of my dedicated team.

M.N.Raju, Chairman
MNR Educational Trust

Philosophy of **MNR**

"Every today well lived is another tomorrow well deserved"

Others saw the **PROBLEM**,
he found the **SOLUTION**

The dawn of August 15, 1974 not only welcomed the anniversary of Indian Independence but also marked the beginning of a new chapter in the annals of education in the state of Andhra Pradesh. This eventful day saw the forming of MNR Educational Trust, founded by Sri M.N. Raju, Chairman of MNR Educational Group, who conceived the idea of network of MNR

Institutions long before it was given a concrete shape. A guiding and motivating force the inspire the dedicated staff members and the ever growing numbers of the student community. The philosophy of Sri.M.N.Raju is to shape the students into proud citizens of this great nation, laying emphasis on honing their innates skills and addressing their psychological and spiritual needs. His rich and varied experience has helped the group to evolve a unique student - centric teaching approach, which transforms the students into competent future professionals and lead asuccessful career.

In all these years, MNR Educational group has made an indelible mark in the education scenario with Sri M.N. Raju at the helm of affairs and the rock like support of Mr. Ravi Varma Manthena who has taken initiatives, accepted challenges and has given this nation a modern Takshashila imparting value education.

About Vice-Chairman's

“We have inherited the passion for Education and would like to see that this passion for education spreads like an endemic. The world would then be a better place to live in. It is our dream to make MNR Group of Institutions not only the best in the country but also to make it attain the status of a Deemed University”

Ravi Varma Manthena, *Vice-Chairman*
MNR Educational Trust

The Vice-Chairman of the Trust is accelerating the growth of the Institution with his great passion and actuary skill. As a mentor he has imbibed the legacy of Shri.M. N. Raju and working for all round development of MNR Educational Trust. Armed with optimism and a pragmatic growth approach, he believes that technology and systems will play a integral part in shaping the future of the Trust.

Director's Message

It gives me immense pleasure and honour as Director to welcome the budding medicos to MNR Homoeopathic Medical College and Hospital, Sangareddy. The serene ambience of MNR Institutions has been transformed into a hub of academic activities for which we have received plethora of accolades and nationwide recognition in various activities.

The college symbolizes the meaning of quality education and professional achievements. The college endeavours to simplify the science of homoeopathy through a uniquely designed and highly effective syllabus. Our learning processes inculcate the qualities of observation, analysis, and compassion in our doctors, which allows personal as well as an academic evolution.

Our mission statement is “Aude Sapere” meaning “Dare to be wise” which exhorts all Homoeopaths associated with the college to carry on the mission of curing the sick dedicatedly. We are a wonderful team of competent teachers, good infrastructure and an experienced and supportive Management with a safe and supportive environment for better learning.

We also provide a perfect balance of Academics, Sports, Arts and Social Activities and we strive to achieve quality in education while ensuring overall development of the students. We also recognize the importance of providing a supportive and simulative environment for learning by using innovative teaching and learning methods and advanced technologies.

We aim and strive to bring the shining light of the Homoeopathic torch, through the brilliant students and budding doctors, to every nook and corner of our nation and society - in order to ensure that the goodness of Homoeopathy reaches to every living individual.

Looking forward to have an educative, sharing, caring,
rewarding and most memorable journey...

Prof. Dr. S. Manilal, MD(Hom) MBA, Director
MNR Homoeopathic Medical College & Hospital

Principal's Message

It is a matter of honor & privilege to be the principal of MNR Homoeopathic Medical College & Hospital, Sangareddy. The college that stands for excellence & continuously setting higher standards. The Management and my staff believe that every student is unique & special. We believe it is our responsibility as Educators to nurture & develop every students maximum potential. Encouraging them to care for other by becoming global citizens & develop a concern & respect to traditional & modern Educational values. All the health & social related endeavors which we take up & execute them successfully are only with support & freedom extended by our Hon'ble Chairman and Vice Chairman.

The college has its own homoeopathic hospital with OPD and 100 bedded IPD located in a serene place. The college conducts regular health checkup camps and medical camps in the OPDs which has popularized Homoeopathy amongst the general public.

The students are admitted through NEET / AIAPGET exam and State Counselling. From 2022 onwards we have upgraded as a PG Institute with intake of 66 seats in 7 PG Specialties (Practice of Medicine, Paediatrics, Psychiatry, Organon of Medicine, Materia Medica, Repertory, Pharmacy). The institution provides world class learning facility in a competitive and collaborative atmosphere to help the students to stretch themselves beyond class room through greater participations in seminar, reorientation programmes, personality development programmes, medical conferences etc. Our excellence in teaching and research comes from the careful choice of highly qualified, and experienced staff members, who are devoted for the progress and development of our Institute & Homoeopathy.

I, as the Principal of this institution, welcome you all to join us in our vision to provide quality homoeopathic education and enable students to undertake responsibilities and cope with challenges, problems and opportunities in homoeopathy through active learning and continued education with competence and concern to ensure the practice of holistic health.

With warm regards & best wishes.

Dr. Venkateshwar Rao, MD(Hom), Principal
MNR Homoeopathic Medical College & Hospital
