**TOPIC:** CONSTITUTIONAL APPROACH IN HOMOEOPATHY

**SPEAKER:** Dr.Sarika.E.S

**Objectives:**

- No knowledge is perfect unless it includes an understanding of the origin that is, the beginning; and as all man's diseases originate in his constitution it is necessary that his constitution should be known if we wish to know his diseases.
- In homoeopathy, the choice of remedy is based on a consideration of the totality of an individual's symptoms and circumstances, including personality, behaviours, fears, responses to the physical environment, food preferences and so on.

**Audience:** All faculties of MNRHMC

**Brief Write up:**

- Von Grauvogl's Classification The Hydrogenoid Constitution; The Oxygenoid Constitution; The Carbo-nitrogenoid Constitution
- Dr. Hahnemann gives a fair idea on the importance of the constitution in Aphorism 5 of Organon of Medicine
- **Tips to improve prescription based on constitution, appearance of the patient.**
- Slides and visuals related to the appearance of medicines and some personalities.

**Materials used:** PPT Presentation

## Brief Report:

The Faculty development Committee of MNR Homoeopathic Medical College organised a Continuing Homoeopathic Medical Education Programme on 09.01.2021. The session was handled by Dr.Sarika.E.S, Assistant Professor, Dept of Pathology and Microbiology of MNR Homoeopathic medical College. She spoke about the constitutional approach in homoeopathy. This programme was organised for the benefit of teaching faculties in familiarizing the homoeopathic medicines with the appearance of some personalities. All the faculties were participated in this CHME. Participants remarked that knowing constitution in detail will helpful in prescribing constitutional medicines.
