

# HOMOEOPATHY PHARMACY EDUCATIONAL TOUR (2019-20)

## VISIT REPORT

A visit to Similia Homoeo Laboratory and Homco Laboratory, Kerala was arranged for the students of our college on 7<sup>th</sup> and 8<sup>th</sup> February, 2020. The details are mentioned below:

The first visit was for Similia Homoeo Laboratory on 7/2/2020. 177 Students of 1<sup>st</sup> BHMS and 2<sup>nd</sup> BHMS of 2019-20, 2018-19 batch respectively along with 17 faculties participated in the visit. Students were divided into 2 groups and then a visit to the different sections of the laboratory like Tablet making section, Mother tincture preparation, Globule preparation, Ointment preparation, oils preparation, packing and labelling section etc. was arranged. A detailed explanation regarding each section was given during the visit. This was followed by visit to store room where all the medicines are stored and dispatched.

The second visit was for “HOMCO” a government laboratory on 8/2/2020. In this visit 88 students of 1<sup>st</sup> BHMS along with 6 faculties participated. Here students had an opportunity to see Centrifuge process, Laminar air flow chamber, Electrical mortar and pestle, Electrical succussion machine, Moisture analyser, HPTLC, Double beam UV visible spectroscopy. A detailed explanation about the working methods of different equipment's was given along with preparation of medicines from back potencies.

Overall, the visit was very informative and productive. It was a good opportunity for students to understand the preparation of various forms of homoeopathic medicines in large scale.
